

Chocolate Egg Cosies

Materials and Instructions:

Full details of the knitted bird chocolate egg cosy and crochet birds nest are given on the *'Tweet Easter Treats PDF'*

The UK Easter Bank Holiday weekend is at the end of March and into the beginning of April this year. Having the patterns from the beginning of March means you will have more than enough time to make for Easter. It's a good yarn buster for those small amounts of leftover double knit and a nice idea to sell at your meetings. The nest can be filled with chocolate treats with no need for a bird sitting in it. As you can see below the nest and bird are the perfect size to fit inside an exploding box, another of this month's projects. The knitted birds can be sewn closed at the bottom and stuffing filled for a bird hanging decoration with the addition of matching beads.
